

AUCTION of PROMISES

In Aid of the

Maternity Unit Fund

20th September 7pm

At

**Roundswell Community
Centre (opposite Sainsburys)**

Welcome to the first Maternity Fund Auction of Promises

We have been overwhelmed with the generosity of local businesses, staff, friends and family. Everyone has shown great enthusiasm into offering and sourcing promises so thank you everybody.

Maternity Funds- Raising money to improve the wards and patient areas for the women we care for.

We aim to make every birth special and ensure that hopes and expectations are met during this special experience by constantly improving our services to create safer, brighter and more comfortable environments for families in our care.

We know that having a baby is a truly life changing experience and the care that our staff give is second to none. Our philosophy of care is to put women at the centre of our service and fundraising enables us to invest in this

We are raising funds which will be used to improve the environment in maternity services, making it feel like a home from home and a lovely place to bring new members of the family into the world.

We are committed to raising money for equipment, comforts and amenities that are over and above the scope of the NHS, helping to make a real difference to staff, patients and their families now and in the future

We want to develop things like facilities for partners and to create relaxing, welcoming and calm environments for women in labour and afterwards. Every penny of this funding will go towards additional improvements above and beyond the high standard of care we already give, to make the service something really special.

Happy Browsing and successful bidding!

Te Koko Sauvignon Blanc Cloudy Bay, Marlborough, New Zealand, 2013 100% Sauvignon Blanc

Cloudy Bay broke the winemaking rules to create a sophisticated style of New Zealand Sauvignon Blanc made through wild fermentation and aging in old French oak. Vineyards for making Te Koko 2013 were specifically chosen due to a combination of flavour intensity borne from vine age, balanced acidity and ripe aromatic profile. Initial scents of white florals and fresh herbs are supported by those of sweet stone fruits and honeysuckle, and completed by a flinty minerality.

Refreshing, juicy and creamy, with mouthwatering notes of nectarine, kaffir lime and lemon grass, complimented by gentle minerality, producing a youthful and vibrant finish.
