Win up to £25,000 and support our cause with unity

Every week you have the chance to win the £25,000 Unity jackpot plus many other fantastic cash prizes, and at the same time you're helping us raise funds to support our work. The more people play the more money we receive, so we need your support. For every £1 entry – at least 50p comes back to us.

How it works

The draw takes place every Saturday and each entry costs just £1. When you join our lottery you're allocated your own 6-digit **Unity** lottery number. A random winning number is drawn - the aim is to match the winning number.

If you match...

| | |
|---|--|
| 6 digits you'll win £25,000 plus a £2,500 donation to our cause | 5 digits you'll win £1,000 |
| | 4 digits you'll win £25 |
| | 3 digits you'll win 5 Entries into the Next Draw |

A match occurs if your digits are in the same place in the sequence as they are in the winning number...

Example

325764 - random winning number

326574 - your lottery number

[This is a 3-number match, winning 5 entries into the next draw]

All winners are notified by post; cash prizes are posted by cheque and prize entries entered automatically into the next draw, so you can't miss out!
